PIRANHAS FINISH OUT REGULAR SEASON

The Piranhas finished out the regular season at the historic Robert J. H. Kiphuth Exhibition Pool on the campus of Yale University in New Haven, CT this past weekend. The venue alone is worth the trip and the price of admission but once again the Piranha swimmers were the real show! As Championship season looms, the Piranhas put forth their last "dress rehearsal" and came away from swimming's hallowed ground with new Age Group cuts, great efforts

and bushels of life-time best times. Among many great swims, the race that stuck in my mind came from Reagan Adiletta in the 200 Free. A tight race for second place in her heat turned into a stunning victory as she and a RAC girl made up over 2 body lengths the last 50 yards to catch the HMST girl who was leading the heat for the previous 198 yards of the race. Needless to say, the crowd went wild!!
