SUMMER LONG COURSE (LC) MEETS

As you may or may not know, during the LC season meets fill up fast!! This is why we needed to have meet entries processed so early in the season. Most meets are now closed, meaning no more entries will be accepted and our entry is final. Some meets will allow us to update and add swimmers. If a meet host allows us to do this, we will let everyone know but please note: the time we have to turn around a new entry is usually very short.

PIRANHA BANQUET

The annual Piranha banquet took place this past Sunday at the Wee Burn Country Club. Every year Piranha families come together to celebrate the Team and the year that has passed. This year's banquet was highlighted by inspirational graduating Piranha speeches, a photobooth, a slide show, and of course the pins!! Thanks to Sharon Parr, Megan McCarthy and Pawel Frankowski for putting on an awesome show!!
