LC Practice Schedules

The Piranha practice schedule for the Spring portion of the summer season is a bit different than the winter season. The schedule will have most groups starting and finishing earlier in the evening than the winter. The schedule changes June 24th, when the kids are out of the school.

Please familiarize yourself with these schedules. As well, when the Team is at a meet on a given day, practices for those age groups the meet is offered will most likely be cancelled. Always check the homepage for these details.
