PIRANHAS GIVING BACK

On June 13th, 8 Piranhas gladly gave up their practice time (2 hours) and volunteered at Person 2 Person in Darien, a volunteer and donation-based organization that gives food and clothing to those in need. This has become a spring-time tradition as this is the third consecutive year the Piranha Senior/P120 group has made the short trek up Route 1 and given a little something back to the community. This year the kids folded and hung clothes

in the Person 2 Person clothing pantry. They worked with pride and had some fun in the process. It was a fulfilling opportunity and a great way to give back to a very worthy organization. Thanks to those Piranhas for being so generous with your time. Great job as always!!
