The Regional Championship meet is a Championship meet all swimmers can attend regardless of time. Only events 200 and above require a qualifying standard. Requirements to attend this meet are as follows: a swimmer MUST have attended a USA-CT meet from 4/22-7/11/19 and MUST have swum the event legally and have reportable times. Every meet we compete, will render reportable times except the Piranha Intrasquad meets and the ORCAS dual
